Change Letter

Document: Minimum Sampling and Testing Guide - CSI version	Letter Code: MST-1
Subject: Modified Quality Management Plan, Asphalt Binder 509	Effective Date: March 2003

Summary:

- Modified Quality Management Plan, Asphalt Binder 509, to Add acceptance parameters for the Elastic Recovery Test on RTFO Residue, and ancillary changes relating to the parameters elsewhere in the document.
- Added Contractor's responsibility to Accumulate and dispose/recycle sampling wastes.

Replace QMP 509 with the attached document.

Timothy Biel, P.E.
Engineer for Materials

Troy Peterson, P.E.
Quality Assurance Engineer
